Commissioner Pierce said that the LEC meeting is on Wednesday.

Commissioner Uhlenkamp – The City Engineer said there is nothing to report for the Street Department. The City Engineer said that there are signs up, but he will review it.

The City Engineer mentioned that the new Christmas decorations that were purchased are very noticeable compared to the older ones that we are also using. It was mentioned that there a few more can be purchased in 2026.

Commissioner Hach – The City Engineer said that there is nothing to report for the Sanitation Department. The Engineering Department is working on plan developments for the 2026 construction projects.

The City Assessor said that he will be sending out letters for the homestead property tax credit at the end of this month. He also said that the property tax credit application will open on

6) Pay Estimate #4 Final – Curb Gutter & Sidewalk

Commissioner Uhlenkamp made a motion to approve Pay Estimate #4 Final – Curb Gutter & Sidewalk. Commissioner Knowski seconded the motion, and the motion was approved unanimously on a roll call vote.

7) Homestead Tax Credit 2023 and 2024 Application Denial – 1115 6<sup>th</sup> St NE

The City Administrator said that the residence that lives at 1115 6<sup>th</sup> St NE submitted an application for the 2023 and 2024 homestead tax credit. They were granted these credits and the state came back and alerted the County, who then alerted the City, that the application was denied due to the property being technically owned by an irrevocable trust. The total amount due from the owner to the respective political subdivisions is \$4,479.34. Ramsey County wants the City to remit payment to the County, and they will distribute the funds to the proper political subdivisions, and the City would have to come to terms with the owner of the property.

The City Administrator said that he suggested that this be resolved through the County's delinquent tax process. The County Treasurer stated that should the City not give the County the funding, the County will withhold it from future property tax allocations. The City Attorney stated that it is not the City's place to pay someone else's property taxes.

Commissioner Pierce asked what responsibility the state owns for approving it for 2023 and 2024 and then all of a sudden denying it. The City Assessor said that in April of 2024 they completed the 2023 application with an abatement and then the application for 2024. These were approved, not knowing that this property was in an irrevocable trust. The County processed this and issued the abatement and awarded the tax credit for 2024 and then in April 2025 was when the City Assessor was notified about the application being denied.

Commissioner Knowski made a motion to reject paying Ramsey County \$4,479.34. Commissioner Hach seconded the motion, and the motion was approved unanimously on a roll call vote.

8) Biannual Update of City Policy Manual

The City Administrator said there were a few grammatical and minor language updates to the Employee Policy Manual. He went through a few sections and stated what had changed. The City's cell phone reimbursement policy, or lack thereof, was mentioned and said there will be something brought to a future meeting regarding this. A conversation ensued about the

importance that the Library and Airport Authority follow the same policies even if they are governed by a separate board. Commissioner Pierce made a motion to approve the updated Employee Policy Manual. Commissioner Hach seconded the motion, and the motion was approved unanimously.

#### 9) 2026 Capital Improvement Plan

The City Engineer said that the Commission had previously reviewed the capital improvement plan as part of the City's budget process and that there have since been some updates to the plan. City Engineer and City Administrator gave a brief overview of the plan. Commissioner Pierce made a motion to approve the 2026 capital improvement plan. Commissioner Uhlenkamp seconded the motion, and the motion was approved unanimously on a roll call vote.

#### 10) Police Department Facility Cost Estimate Report

The City Administrator reviewed the reports from the architectural firms and provided the conclusions that the working group came up with after analyzing the reports.

For the prospect of moving the Police Department to the Western Equipment Finance building, the report showed the Police Department using just the northeast corner of this building with estimates for renovation and acquisition totaling a range of \$3.9 to \$4.9 million. It was determined by the working group that unless there are other public safety partners on board prior to the purchase, like the Sheriff's Office and 911/dispatch, this building does not make sense for the City of Devils Lake to purchase.

The report for the Traynor Law was reviewed with estimates for renovation and acquisition totaling a range of \$2.6 - \$3.6 million. The biggest cost driver is whether or not it would be appropriate or cost effective to include a renovation of the basement with the City's upgrades to the facility.

The City Administrator said the estimates to build new on a downtown City-owned parking lot would cost \$3.5 to \$5 million depending on square footage. He said the working group's consensus was that if a full renovation of the Traynor Building was what the City felt was most appropriate, then it would probably make the most sense to just build new.

Questions and discussion continued on the police department facility. President Moe said he'd like to see a modest fix up to the Traynor Building occur to get the Police Department downtown in a financially responsible manner. He did say that it appeared the consensus of the full City Commission was that the city builds new, unless they can get other departments/agencies to join than the Western building would be more beneficial. The City Commission asked that the Mayor and City Administrator inquire about the County and Law Enforcement Center's interest in partnering and if there is a path forward that is possible at that location.

**11) Extension of Letter of Intent – Stride Development**

The City Administrator and City Attorney reviewed a proposed extension of the prior Letter of Intent with Stride Development. The provided extension would extend the Letter of Intent to March 31, 2026. Commissioner Pierce made a motion to improve the extension of letter of intent for Stride Development. Commissioner Uhlenkamp seconded the motion, and the motion was approved unanimously.

**12) Tree Purchase Order with Landscapes Unlimited**

Commissioner Pierce made a motion to table the tree purchase order with Landscapes Unlimited. Commissioner Knowski seconded the motion, and the motion was approved unanimously.

STAFF REPORT

CITY COMMISSION  
JANUARY 5, 2026

---

**Agenda Item:** Payment in Lieu of Taxes (PILOT) Agreement – North Central Housing Authority

---

**Submitted By:** Spencer Halvorson, City Administrator/Auditor

---

**Staff Recommended Action:** Review the staff report and provide guidance on City negotiating stance for years 2026, 2027 and beyond

---

Background and Update

At the December 1, 2025 City Commission meeting, the City Commission discussed the 10% PILOT Agreement between the City and North Central Housing Authority. After some dialogue between City administration and NCHA officials throughout the month of December, NCHA did remit to the City the remaining 5% of the PILOT for 2025 that was still owed. This payment brought the total for the year to the 10% amount. This 10% is consistent with the agreement on file from the late 1960's.

At the December 1, 2025 meeting, the City Commission acknowledged that the funds were budgeted for both 2025 and 2026 and that it would be appropriate to expect the full 10% for both years. It is staff's understanding that the Commission is supportive of holding NCHA accountable to the agreed upon 10% PILOT for 2026 and that the City would be open to a renegotiation dialogue for 2027 and beyond.

Staff is requesting confirmation from the City Commission that they are aligned with this course of action should a renegotiation of the agreement be pursued by NCHA.

Re: City and NCHA 10% PILOT Agreement

**SENT VIA EMAIL ON  
12/2/25 to ADAM LEIPHON  
AND TIM GREENE**

Chairman Leiphon and Director Greene,

Please consider this letter from the City of Devils Lake as a recap of the engagements between City administration and City Commission with North Central Housing Authority (NCHA) leadership. This letter will also serve as a formal communication of the City's position on the matter of the 10% Payment In Lieu Of Taxes (PILOT) agreement between the City and NCHA.

#### Background

Tim Greene and I have loosely discussed for the past three years the parameters of the PILOT, documentation on file for both organizations, and the NCHA's general unfavorable view of the current 10% arrangement. While the unfavorable view was expressed, no formal negotiations ensued on changing the terms of the agreement.

This year the request from the City for the 10% of rent revenue less utility expenses was sent to NCHA on October 2, 2025. A check equivalent to 5% of rent revenue less utility expenses (\$8,936.46) was provided to the City on November 11, 2025 along with a memo indicating the reasons for the reduced payment. City administration asserted that this was insufficient payment given the longstanding arrangement and agreement.

Of note, the NCHA memo indicates one of the reasons for their reduced remitted payment being that there is "no formal agreement with the City at this time. NCHA and HUD also have no agreements on file". The City has the agreement on file from 1968 and has provided that to NCHA.

Board Chair Adam Leiphon spoke at the City Commission meeting on December 1, 2025 asserting the NCHA's position that a 5% PILOT is more appropriate than the existing 10% PILOT.

#### City Position

The City Commission asserted at the meeting that the 5% PILOT remitted to the City is insufficient given the terms of the agreement and that full payment of the 10% PILOT, consistent with the

agreement, would be expected for 2025 and 2026. It was noted that the City has budgeted for these funds for both years. The City Commission indicated that the City would be open to revisiting the matter for years 2027 and beyond.

Should the NCHA want to appoint a few members to discuss the matter with City officials and pursue a renegotiated agreement, please contact me at the information below to begin such a process.

**Agenda Item:** North Central Housing Authority Yearly Contribution – 10% Payment in Lieu of Taxes (PILOT)

---

**Submitted By:** Spencer Halvorson, City Administrator/Auditor

---

**Staff Recommended Action:** Consider the 5% of 2024 shelter rent remitted to the City for their 2025 contribution as insufficient and in violation of the terms of 1968 Cooperation Agreement. Demand full 2025 payment equivalent to 10% of shelter rent minus utility expenses and direct staff to negotiate with North Central Housing Authority for 2026 contribution.

---

The City and North Central Housing Authority (NCHA) have a long-standing Cooperation Agreement from 1968 providing a Payment In Lieu Of Taxes (PILOT) from NCHA to the City. Section (a) and (b) of the agreement state:

- (a) Under the Constitution and statutes of the State of North Dakota, all projects are exempt from all real and personal property taxes and special assessments levied or imposed by any Taxing Body. With respect to any Project, so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the Government for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (iii) any bonds issued in connection with such Project or any monies due to the Government in connection with such Project remain unpaid, whichever period is the longest, the Municipality agrees that it will not levy or impose any real or personal property taxes or special assessments upon such a Project or upon the Local Authority with respect thereto. During Such a period, the Local Authority shall make annual payments (herein called “Payments in Lieu of Taxes”) in lieu of such taxes and special assessments and in payment for the public services and facilities furnished from time to time without other cost or charge for or with respect to such Project.
- (b) Each such annual Payment in Lieu of Taxes shall be made after the end of the fiscal year established for the Project, and shall be in an amount equal to either (i) ten percent (10%) of the Shelter Rent charged by the Local Authority in respect to such Project during such fiscal year, or (ii) the amount permitted to be paid by applicable state law in effect on the date such payment is made, whichever amount is the

lower.

North Central Housing Authority provided a check to the City in the amount of \$8,936.46, equivalent to 5% of shelter rent revenue received less utility expenses. From a memo provided to the City from NCHA, they assert that Housing Authorities across the country pay anywhere from 0-10% of this formula. They feel 5% is a more appropriate formula and has not provided the full 10% payment.

NCHA asserts that HUD and NCHA have no agreement on file, and there is no requirement that NCHA must pay a PILOT . A copy of the agreement (attached) has been provided to NCHA.

A yearly tabulation of Housing Authority contributions to the City since 1980 is included.

City Administrations asserted to NCHA that 5% payment is insufficient and that they are not meeting the terms of the cooperation agreement. They are appealing to the City Commission to accept the 5% payment for 2025 as well as in future years.

COOPERATION AGREEMENT

This Agreement entered into this 29th day of April,  
19 68, by and between the Housing Authority of the City of Devils Lake,  
North Dakota (herein called the "Local  
Authority") and the City of Devils Lake, North Dakota  
(herein called the "Municipality"), WITNESSETH:

In consideration of the mutual covenants hereinafter set forth, the parties hereto do agree as follows:

1. Whenever used in this Agreement:

- (a) The term "Project" shall mean any low-rent housing hereafter developed as an entity by the Local Authority with financial assistance of the United States of America, Housing Assistance Administration, (herein called the "Government"); excluding, however, any low-rent housing project covered by any contract for loans and annual contributions entered into between the Local Authority and the Government, or its predecessor agencies, prior to the date of this Agreement.
- (b) The term "Taxing Body" shall mean the State or any political subdivision or taxing unit thereof in which a Project is situated and which would have authority to assess or levy real or personal property taxes or to certify such taxes to a taxing body or public officer to be levied for its use and benefit with respect to a Project if it were not exempt from taxation.
- (c) The term "Shelter Rent" shall mean the total of all charges to all tenants of a Project for dwelling rents and nondwelling rents (excluding all other income of such Project), less the cost to the Local Authority of all dwelling and nondwelling utilities.
- (d) The term "Slum" shall mean any area where dwellings predominate which, by reason of dilapidation, overcrowding, faulty arrangement or design, lack of ventilation, light or sanitation facilities, or any combination of these factors, are detrimental to safety, health, or morals.

2. The Local Authority shall endeavor (a) to secure a contract or contracts with the Government for loans and annual contributions covering one or more Projects comprising approximately 115 units of low-rent housing and (b) to develop and administer such Project or Projects, each of which shall be located within the corporate limits of the Municipality. The obligations of the parties hereto shall apply to each such Project.

3. (a) Under the constitution and statutes of the State of North Dakota, all Projects are exempt from all real and personal property taxes and special assessments levied or imposed by any Taxing Body. With respect to any Project, so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing

purposes, or (ii) any contract between the Local Authority and the Government for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (iii) any bonds issued in connection with such Project or any monies due to the Government in connection with such Project remain unpaid, whichever period is the longest, the Municipality agrees that it will not levy or impose any real or personal property taxes or special assessments 7 upon such Project or upon the Local Authority with respect thereto. During such period, the Local Authority shall make annual payments (herein called "Payments in Lieu of Taxes") in lieu of such taxes and special assessments 7 and in payment for the public services and facilities furnished from time to time without other cost or charge for or with respect to such Project.

(b) Each such annual Payment in Lieu of Taxes shall be made after the end of the fiscal year established for such Project, and shall be in an amount equal to either (i) ten percent (10%) of the Shelter Rent charged by the Local Authority in respect to such Project during such fiscal year, or (ii) the amount permitted to be paid by applicable state law in effect on the date such payment is made, whichever amount is the lower.

(c) The Payments in Lieu of Taxes shall be distributed among the Taxing Bodies in the proportion which the real property taxes which would have been paid to each Taxing Body for such year if the Project were not exempt from taxation bears to the total real property taxes which would have been paid to all of the Taxing Bodies for such year if the Project were not exempt from taxation, or in such other manner as provided by state statute; Provided, however, That no payment for any year shall be made to any Taxing Body in excess of the amount of the real property taxes which would have been paid to such Taxing Body for such year if the Project were not exempt from taxation.

(d) Upon failure of the Local Authority to make any Payment in Lieu of Taxes, no lien against any Project or assets of the Local Authority shall attach, nor shall any interest or penalties accrue or attach on account thereof.

4. The Municipality agrees that, subsequent to the date of initiation (as defined in the United States Housing Act of 1937, as amended) of each Project and within five years after the completion thereof, ~~or such further periods may be approved by the Government, and in addition to the number of unsafe or insanitary dwelling units which the Municipality is obligated to eliminate as a part of the low-rent housing Project(s) heretofore undertaken by the Local Authority,~~ there has been or will be elimination (as approved by the Government) by demolition, condemnation, effective closing, or compulsory repair or improvement, of unsafe or insanitary dwelling units situated in the locality or metropolitan area in which such Project is located, substantially equal in number to the number of newly constructed dwelling units provided by such Project; Provided, That, where more than one family is living in an unsafe or insanitary dwelling unit, the elimination of such unit shall count as the elimination of units equal to the number of families accommodated therein; and Provided, further, That this paragraph 4 shall not apply in the case of (i) any Project developed on the site of a Slum cleared subsequent to July 15, 1949, and that the dwelling units eliminated by the clearance of the site of such Project shall not be counted as elimination for any other Project or any other low-rent housing Project, or (ii) any Project located in a rural nonfarm area.

July, 1966

5. During the period commencing with the date of the acquisition of any part of the site or sites of any Project and continuing so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the Government for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (iii) any bonds issued in connection with such Project or any monies due to the Government in connection with such Project remain unpaid, whichever period is the longest, the Municipality without cost or charge to the Local Authority or the tenants of such Project (other than the Payments in Lieu of Taxes) shall:

- (a) Furnish or cause to be furnished to the Local Authority and the tenants of such Project public services and facilities of the same character and to the same extent as are furnished from time to time without cost or charge to other dwellings and inhabitants in the Municipality;
- (b) Vacate such streets, roads, and alleys within the area of such Project as may be necessary in the development thereof, and convey without charge to the Local Authority such interest as the Municipality may have in such vacated areas; and, in so far as it is lawfully able to do so without cost or expense to the Local Authority or to the Municipality, cause to be removed from such vacated areas, in so far as it may be necessary, all public or private utility lines and equipment;
- (c) In so far as the Municipality may lawfully do so, (i) grant such deviations from the building code of the Municipality as are reasonable and necessary to promote economy and efficiency in the development and administration of such Project, and at the same time safeguard health and safety, and (ii) make such changes in any zoning of the site and surrounding territory of such Project as are reasonable and necessary for the development and protection of such Project and the surrounding territory;
- (d) Accept grants of easements necessary for the development of such Project; and
- (e) Cooperate with the Local Authority by such other lawful action or ways as the Municipality and the Local Authority may find necessary in connection with the development and administration of such Project.

6. In respect to any Project the Municipality further agrees that within a reasonable time after receipt of a written request therefor from the Local Authority:

- (a) It will accept the dedication of all interior streets, roads, alleys, and adjacent sidewalks within the area of such Project, together with all storm and sanitary sewer mains in such dedicated areas, after the Local Authority, at its own expense, has completed the grading, improvement, paving, and installation thereof in accordance with specifications acceptable to the Municipality;
- (b) It will accept necessary dedications of land for, and will grade, improve, pave, and provide sidewalks for, all streets bounding such Project or necessary to provide adequate access thereto (in consideration whereof the Local Authority shall pay

July, 1966

to the Municipality such amount as would be assessed against the Project site for such work if such site were privately owned); and

(c) It will provide, or cause to be provided, water mains, and storm and sanitary sewer mains, leading to such Project and serving the bounding streets thereof (in consideration whereof the Local Authority shall pay to the Municipality such amount as would be assessed against the Project site for such work if such site were privately owned).

7. If by reason of the Municipality's failure or refusal to furnish or cause to be furnished any public services or facilities which it has agreed hereunder to furnish or to cause to be furnished to the Local Authority or to the tenants of any Project, the Local Authority incurs any expense to obtain such services or facilities then the Local Authority may deduct the amount of such expense from any Payments in Lieu of Taxes due or to become due to the Municipality in respect to any Project or any other low-rent housing Projects owned or operated by the Local Authority.

8. No Cooperation Agreement heretofore entered into between the Municipality and the Local Authority shall be construed to apply to any Project covered by this Agreement.

9. So long as any contract between the Local Authority and the Government for loans (including preliminary loans) or annual contributions, or both, in connection with any Project remains in force and effect, or so long as any bonds issued in connection with any Project or any monies due to the Government in connection with any Project remain unpaid, this Agreement shall not be abrogated, changed, or modified without the consent of the Government. The privileges and obligations of the Municipality hereunder shall remain in full force and effect with respect to each Project so long as the beneficial title to such Project is held by the Local Authority or by any other public body or governmental agency, including the Government, authorized by law to engage in the development or administration of low-rent housing projects. If at any time the beneficial title to, or possession of, any Project is held by such other public body or governmental agency, including the Government, the provisions hereof shall inure to the benefit of and may be enforced by, such other public body or governmental agency, including the Government.

IN WITNESS WHEREOF, the Municipality and the Local Authority have respectively signed this Agreement and caused their seals to be affixed and attested as of the day and year first above written.

Honorable Board of City Commissioners  
Devils Lake, North Dakota

Re: Project N.D. 13-1  
The Housing Authority of the  
City of Devils Lake, North Dakota

Gentlemen:

The Housing Authority of the City of Devils Lake, North Dakota, is developing a housing project at Devils Lake, North Dakota, pursuant to a co-operation agreement dated April 17, 1968.

Section 402 of the Housing Act of 1954 (PL-560, 83d Congress), amending the Housing Act of 1937, as amended, provides that prior to the execution of an Annual Contributions Contract, the Local Authority shall notify the governing board of the locality of its estimate of the annual amount of payments in lieu of taxes which will be made for the project and of the amount of taxes which would be levied if the property were privately owned.

We wish to advise you that our estimate of the annual amount of payments in lieu of taxes will be 10% of the difference between the total rental income and the utility expenses. The annual amount of taxes which would be levied were the property privately owned is \$15,583.70, based upon the 1968 levy. The 1968 taxes upon the property, unimproved, were \$373.57. This figure does not include any special assessments upon the property, but the special assessments are to be paid in full by the developer.

Respectfully,

**Agenda Item:** Police Department Relocation – Ramsey County and LEC Dialogue

---

**Submitted By:** Spencer Halvorson, City Administrator/Auditor

---

**Staff Recommended Action:** Review the update below

---

**Background and Update**

At the December 15, 2025 City Commission meeting, the City Commission discussed the options for the relocation of the Devils Lake Police Department. Locations and strategies discussed included the:

- A) Purchase and renovation of the Traynor Law Building
- B) Build new on City owned parking lot downtown
- C) Partner with other public safety partners and work towards a Public Safety Center model at the Western Equipment Finance building along Hwy 2

The City Commission determined that it would like to see further dialogue with Ramsey County and Law Enforcement Center officials to gain clarity if there is interest in partnering on some sort of Public Safety Center model at the Western Equipment Finance Building.

City officials met with pertinent stakeholders to include Ramsey County officials, Sheriff's Office, and Law Enforcement Center administrators. It was concluded amongst all involved that a few select pieces of information would be valuable to Ramsey County and Law Enforcement Center officials prior to making a final determination on whether they see a partnership possible or not.

There is an intention to have a follow-up meeting towards the end of January to revisit the matter and determine if a collaborative partnership has a possibility of moving forward.

Re: Authorization to Hire Clerk of Court Position at Grade 7 Step L

The clerk of court position was advertised in December due to the resignation of the previous clerk. The position closed on December 19, 2025. The City received three applications and Judge Halbach selected Rebecca Nelson for the position. She started on December 29, 2025 and was initially brought on at a Grade 7 Step F.

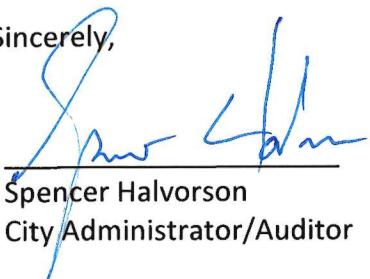

The candidate selected has 18 years of combined clerk experience with Nelson and Ramsey Counties, with their most recent experience serving as the Unit 1 Deputy Court Administrator for the State of North Dakota out for Grand Forks. This position managed and oversaw the court operations in thirteen counties and spearheaded the creation of multiple training manuals specific to Clerk of Court positions in North Dakota.

The candidate is a Certified Court Manager and has multiple Certified Court Executive certifications.

Effective July 1, 2026, municipal courts in North Dakota will now become official Courts of Record. The hired applicant is a Certified Court Recorder via the American Association of Electronic Reporters and Transcribers. This background and certification will be an asset to the Devils Lake Municipal Court operations as they transition to a court of record this summer.

It is requested that the Municipal Judge and City Administrator be authorized to hire the candidate at a Grade 7 Step L due to the level of experience, certifications, and demonstrated mastery of the clerk of court position.

Sincerely,

Spencer Halvorson  
City Administrator/Auditor

Peter Halbach, Judge

WHEREAS, the above-described property is located at the address of 115 - 5<sup>th</sup> Ave. N.E., Devils Lake, North Dakota; and

WHEREAS, the above-described premises shall be referred to in this agreement as "the property;" and

WHEREAS, Owner does hereby lease and let the property to Tenant, and Tenant does hereby accept said lease upon the following terms and conditions:

1. Term. The term of this lease shall be for a period of two (2) years commencing January 1, 2026, and terminating on December 31, 2027.

2. Rent. The Tenant does hereby agree to pay rent in the sum of \$600 per month subject to adjustment of said rental amount pursuant to the terms set forth herein. If the monthly capacity of the center is maintained at or above 85% or 45 children, then the rental amount shall decrease to \$100 per month. If the monthly capacity of the center falls below 85% or 45 children, then the rental amount shall be \$600 per month. The childcare capacity is 52 children. The rent shall be payable on or before the first day of each month.

3. Renewal & Incentive Agreement. This lease shall not automatically renew at the end of its term. This agreement will be a two (2) year agreement; at the end of each year, Tenant will be eligible for an incentive payment for said year which payment will be made in exchange for the annual renewal of the two (2) year agreement. Said incentive will be provided by the Forward Devils Lake Corporation Childcare Incentive Fund. Eligibility for said incentive will commence on January 1, 2026 if the terms of the incentive agreement are met.

If at the end of the first year of the agreement, being December 31, 2026, the renewal agreement is not signed, then one-half of the incentive payment shall be paid in exchange for a one (1) year notice of intent to sell or terminate the lease.

If this lease is terminated before its scheduled December 31, 2027 termination date for any reason and without issuance of the one (1) year notice of intent to sell or terminate the lease, as set forth above, then Tenant shall be obligated to pay back to Owner the total amount of rent that was reduced for year 2026 and Tenant shall further be required to pay back to Forward Devils Lake Corporation any incentive payments that Tenant received.

4. Use of the Property. Tenant will use and occupy said premises for the functions of a day care center for children and for no other purpose without the express written consent of the Owner.

5. Assignment. This lease may not be assigned by Tenant without the expressed written consent of Owner.

6. Condition of the Premises. Tenant acknowledges that no representations, except as such are contained herein, have been made to Tenant respecting the condition of the property, and taking possession of the property by Tenant shall be conclusive evidence as against Tenant that said property is in good and satisfactory condition at the time of possession, and Tenant will, at the termination of this lease, by lapse of time or otherwise, return the property to Owner in as good a condition as when received, use by ordinary wear and tear excepted. Tenant, or her agents, have had the opportunity to inspect the property. The Tenant acknowledges she is renting the property "as is". Any cost in getting the property in a condition to be used as a day care facility shall be the responsibility of the Tenant.

7. Alterations. Tenant may not make any alterations, additions, or improvements without the written approval of Owner prior to the start of any such construction. Any and all costs and expenses for alterations, additions, or improvements shall be submitted by Tenant to Owner and be approved by Owner prior to the start of any such construction. Any such work shall be done in a good and workmanlike manner without impairing the structural soundness of the building. All reasonable building improvements agreed to by Owner shall be paid by Owner.

8. Repairs. The Owner will be responsible for any repairs related to the furnace (heating and cooling), plumbing, and electrical. The Tenant shall be responsible for the kitchen appliances and the outdoor maintenance. Any repairs to the roof will be the responsibility of the Owner.

9. Janitorial. Tenant shall be responsible for the cleanliness and general upkeep of the property, including care and upkeep of the floors, lawns, vegetation, walks, and any equipment installed on the premises, whether inside or out, for specific use by Tenant.

10. Insurance. It shall be the obligation of Tenant to provide fire and extended coverage on the building during the term of this lease, and to have Owner appear as loss payee for any coverage under this insurance. Further, it shall be the responsibility of Tenant to provide insurance on the contents of the building. Public liability insurance shall also be obtained by Tenant, at its cost, and Tenant agrees to safeguard and protect Owner by placing Owner's name upon such public liability insurance as an additional insured. Tenant's public liability insurance shall be a minimum of \$500,000 per occurrence to an aggregate amount of \$1,000,000.

11. Utilities. It shall be the responsibility of Tenant to pay all utilities during the term of this lease.

12. Termination. Upon termination of this lease, Tenant may remove items of personal property, including equipment that was placed in the building by Tenant, provided, however, that the removal of such equipment does not damage the premises and provided that such personal property has not been transferred to, or purchased by, the Owner.

13. Entire Agreement. This agreement constitutes the entire agreement made and entered into between the parties, and any term or provision not contained in this agreement is a term or provision which has not been agreed to between the parties.

14. Amendment and Modification. This agreement may be amended or modified by the parties upon each of them mutually agreeing to such modification or amendment in a document duly written and executed by both parties.

15. Time. The parties agree that time is of the essence in the performance of each and every term and provision of this agreement.

16. Destruction of Premises. Through no fault of either party, should the property be destroyed or such a portion of the property as to not allow Tenant to occupy the property, then at the option of Tenant, this lease shall be rendered null and void, provided the repairs cannot be made by Owner within thirty (30) days from the time when the destruction has occurred.

17. Number of Children. The Tenant will provide the Owner with the number of children attending the facility on a monthly basis. This shall be done in writing along with payment of the monthly rent.

IN WITNESS WHEREOF, the parties have set their hands and seal the day and year first above written.
