*Coming soon to a
park near your!!*

The Devils Lake Park Board and numerous area organizations have come together to make a fishing pond in Ruger Park a reality. The fishing pond will be located in the southeast corner of Ruger Park with access from 14th Ave NE.

A fishing pier will also be installed to enhance the fishing experience, and the ND Fame & Fish Department will stock the pond with fish when the project is complete.

Watch for further information and a completion date of this great addition to the City.
